DATE MAILED:

EXAMINER INTERVIEW SUMMARY RECORD

All participants (applicant, applicant's representative, PTO personnel):

(1) Mr. Hayden Carney (3) _____

(2) Mr. C. Cuda (4) _____

Date of interview 6-11-92

Type: ☒ Telephonic ☐ Personal (copy is given to ☐ applicant ☐ applicant's representative).

Exhibit shown or demonstration conducted: ☒ Yes ☐ No. If yes, brief description: Samples of the instant invention and ITW Plastiglides 3" Grommet and Grommet having cover with spring-loaded segment were received.

Agreement ☒ was reached with respect to some or all of the claims in question. ☐ was not reached.

Claims discussed: all pending claims

Identification of prior art discussed: None

Description of the general nature of what was agreed to if an agreement was reached, or any other comments: It was agreed to amend the claims by a FAX'd Preliminary Amendment from applicant's attorney in order to obviate a 35 USC Section 112 rejection by clarifying the claims to place this case in condition for allowance.

(A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

Unless the paragraphs below have been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW (e.g., items 1-7 on the reverse side of this form). If a response to the last Office action has already been filed, then applicant is given one month from this interview date to provide a statement of the substance of the interview.

☐ It is not necessary for applicant to provide a separate record of the substance of the interview.

☐ Since the examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action.
